Exhibitor Safety Responsibility Agreement

To ensure the smooth progress of the Bluetooth Asia 2025, in accordance with the principle of "whoever is in charge is responsible" in the national fire safety production laws and regulations, the organizer invites the exhibitor's representative (or authorized agent)_____ as the responsible party for on-site management, security, and fire safety during the deployment, exhibition, and dismantling periods of _____(Company Name). Responsibilities include:

1.Ensure that the exhibited products are displayed within the designated scope and in accordance with the exhibition contract. Do not display products with unclear intellectual property rights.Guarantee the legality of exhibits and technologies, and ensure all submitted documents are truthful, accurate, and lawful.

2.Refrain from selling products, conducting cash transactions, distributing materials outside designated areas, or displaying/selling counterfeit goods. Any consequences from unauthorized sales or fraudulent activities shall be borne solely by the exhibitor.

3.Assume full responsibility for security, fire safety, and booth structural safety within and around the assigned area during the exhibition.

4.Safeguard exhibits and personal belongings. Remove cash, valuables, and critical documents after closing. Remind staff to secure personal items (e.g., bags, phones) to prevent loss or damage. The exhibitor bears all responsibility for losses.

5.Ensure construction safety and comply with venue regulations. Avoid actions that damage the venue's structure, facilities, or exhibition environment.

6.Adhere to national fire codes and venue fire safety rules. Prohibit the use of flammable materials, hazardous substances, or non-compliant electrical equipment. Do not bring inflammable, explosive, highly toxic or polluted items into the exhibition hall. Do not use decoration materials and exhibition equipment that do not meet fire protection requirements. Ensure that the use of electricity and electrical appliances meets safety requirements.

7.Ensure sound from exhibits or equipment does not exceed 70dB and does not disturb others.

8.Exhibitors are responsible for insuring exhibits, installations, personnel, and third-party liabilities. Exhibitors undertake to insure their exhibits, booth installations, exhibitors and other third parties in full or at their own risk.

This agreement shall come into effect upon the signature and seal of the representative of the exhibitor (or group representative).
